

# HOW TO USE YOUR 123RF ACCOUNT

Making the most of your content

## Register or login to your account A 123RF account is free of charge

You can find the menu on the top right of the homepage. When you register don't forget to confirm your account with the email we send you. Once registered you are good to go.

## The account menu Your balance and account options

Fill in your username and password and you will see this menu in the top right. You can find your subscription and/or credit balance here.

## Account Your starting point

This is a quick overview of your registered details and your balances. When you click edit you will go to your profile.

## Profile Manage your data

Edit your company details (these will appear on invoices), Change your password and see and download your invoices in the purchase history.

## Download history Redownload your content

See your downloaded content. Search by images, sound or video at the top menu and use filters and dates. Redownload images for free here.

## Talk to us We are here to help

Any questions about your account? Call or email your team and we will walk you through the options
